What is your super-power?

Calling all Superheroes!

It's time again for us to answer the call and dress as our favourite superhero in time for the departure of the Superkids Superheroes. Once again, our school will have a 'double whammy' on the morning of **Friday 30 August**. We will begin the morning with a cooked brekkie at **7.30am** to honour our superhero Dads. This will take place in the undercover area. There will also be 'proper coffees' available for sale, so please bring along some coins. Following breakfast we will watch the epic departure of Simo, Kim, Mr T and their band of super humans as they tour the South West, on a quest to raise money for the Kids Cancer Project. Please bring along a gold coin donation on this morning, which we will collect and give to the riders. A letter was sent out this week outlining all the fun and activity of this super occasion. We would love all our Dads to come along and join us.

Speak-Up Awards

Good luck to Orla Olsen who this coming week will participate in the pre-liminary finals of the Speak Up

Awards in Perth.

Book Week

Well done to all families for supporting our Book Week dress up day on Tuesday. You can relax now for another year!

Musica Viva

Thank you to the P&F for allowing us the experience of having Musica Viva into our school. The cost of this week's musical treat was paid for by the P&F. Our thanks also to Mrs Morling for bringing this tour to us.

Pre-Kindy (3 Year Old) Enrolments

Spots are filling up for our three year old program in 2020. Please ensure you have registered your child soon so we may begin planning. Enrolment forms may be collected from the front office.

Capital Development Works

At the parent information evening at the start of the year, I spoke about some capital development in the 'pipeline' at St Brigid's. This was only in concept and application stage at that time. I am pleased to say we have been given approval from Catholic Education to proceed. We will be moving through stages of planning, final design and the build of two projects:

1. A new classroom to free up some space in our over used library. This room will be located at the rear of the hall.
2. A remodel and extension of our front office and staffroom. This will reposition the front door to allow a waiting foyer

which offers more room and seating as well as an improved office layout.

These projects will not commence before the new year, and will more than likely commence once the 2020 school year has commenced.

Where is Mr Pardini?

I look forward to returning to school next Tuesday 27 August. A reminder, if you require anything admin related, please see Mrs Harrison or Mrs Muir at the front office.

Cake Stall for Khan!

We have secured the Community Stall on Saturday 7th September where we will be holding a fundraising morning to raise much needed funds for Khan and his family as they adjust to life as they now know it, back in Bridgetown.

Not only will we be selling cakes and other home baked treats, we will also be raffling a trailer load of wood that has been so generously donated by St B parents Simone Bruce and Michael Hoar. The P&F would like to take this opportunity to thank them for this very kind gesture.

Lizzy Doust will be co-ordinating the volunteers for the morning. Even one hour of your time would be much appreciated. Lizzy can be contacted on 0447 277 043 if you are able to help (kids welcome).

We are asking for parents and caregivers to provide biscuits, cakes and slices. These can be dropped off to the canteen Friday morning or to Harcourts office before 5.00pm on the Friday.

Thank you everyone. We look forward to another successful fund raising event.
