

St Brigid's

Thursday 13 February, 2020

It's already week 2!

school (3.00pm) and conclude at 4.00pm.

Homework folders

Just an update, these folders have been dispatched and we expect to have them here in a matter of days. All children from Pre-primary to Year Six will be expected to have one to keep paper work, homework and library books neat and tidy. The folders are \$12 each and we will be issuing them soon to all families.

Hockey Clinic

On Tuesday, classes from Years 3-6 took part in some hockey clinics. The sessions were a sample of some basic rules and hockey techniques. A member from the local hockey club was present and left some flyers in the front office for any interested new members.

Grandparents Mass

Calling all grandparents! It would be lovely to have our church filled with grandparents this coming Wednesday 19 February at 9.00am. For those families who can stay following Mass, we will gather in the hall for morning tea. A plate to share for this will be

welcomed.

'Connected' School app

Thank you for your support signing up to our school 'Connected' app. We continue to use this service predominantly for communication at the whole school/class level. If you are experiencing any issues with this app, please come in to see us.

P&F Meeting / School Board

Our P&F will meet on Monday 17 February at 6.00pm in the staffroom. We are desperately looking for some new members who can come onto our committee. The commitment will be two meetings a term (that's only 6 meetings a year!). Currently we only have 4 regular attendees which is very low. Please consider assisting these ladies.

May your weekend be a restful one, and I look forward to meeting families at this Sunday's Commissioning Mass.

Carlo Pardini
Principal

Commissioning Mass

This Sunday we officially commission our Staff and Student Leaders at Mass. I encourage our families to attend so we can celebrate together. Mass commences at 5.00pm in the church - Sunday 16 February.

Sustainability

What another great week we have had being vigilant with our rubbish. I was so pleased to hear that this week we only put out 1 large bin on the verge for collection! That is absolutely phenomenal and a real credit to everyone for making this happen. What an awesome effort.

Homework Club

We have two homework clubs operating on Tuesday afternoon. If your child is interested in joining these clubs, they are welcome to come along. Children from years 1/2 meet in the year 1 classroom. Students from years 3-5, meet in the Year 5 classroom. Clubs begin after

Soft plastic recycling

The REDcycle Program makes it easy for consumers to keep plastic bags and packaging out of landfill.

Do the scrunch test

If it's soft plastic and CAN be scrunched into a ball, it can be placed in a REDcycle drop off bin

If it's not plastic, or it's plastic that CAN'T be scrunched into a ball, it cannot be recycled via REDcycle*

Please make sure your plastic is dry and as empty as possible. For a comprehensive list of what can be REDcycled and more information, check the website.
