Farewell Mrs Morgan!

Farewell Alice

Many of you may know that Mrs Alice Morgan will be leaving us at the end of this term as her family relocates to Albany. Our association with Alice has only been short at St Brigid's but we are truly thankful for the opportunity to have her smiling face and beautiful presence with us. Alice, it has been such a pleasure working with you and watching the children fall in love with your calm voice and we are all very sad that you are leaving. We wish you all the best for your future teaching studies and wish you and yours every blessing for your new adventures. Thank you Alice for the big impact you had on us in a short time!

Aboriginal Flag

NAIDOC week 2020 invites us to embrace the history of this country – a history which dates back thousands of generations. The local Djidjilup Reconciliation group have been working with the Bridgetown-Greenbushes Shire and have put up another flag pole for the Aboriginal flag. This is a big celebration and a step towards

Reconciliation for our town. During NAIDOC week (Sunday 5 July to 12 July) there will be Nyungar people coming to honour this occasion.

Local schools have been asked if they would be willing to take part in an Aboriginal flag colouring-in activity and display. Until the end of this term, children will be working on these flags in class as well as learning some information regarding NAIDOC week. Why not take a stroll through town during this week and try to locate your child's work!

Work Experience students

Next week we welcome the following MSHS students into our school as they complete their work experience. Welcome Crystal Dent into Year 1 and Molly Miller into Pre-Primary. We hope you enjoy your time with us.

Term 3 dates

The term 3 planner will be sent home next week with school reports. Here are two significant dates for you to note:

- **Monday 20 July** will be the start of Term 3 for all staff and children. Please note, there will not be a pupil free day the first day back.
- **Friday 21 August** will be a pupil free day while staff participate in the annual Religious Education Accreditation course.

Pre-Kindy (3 Year Olds)

We are finally going to meet the youngest members of our school community! Schools have been given the 'green light' for Pre-Kindy (3 year old) classes. This year, our Pre-Kindy programme will be coordinated by Mrs Kammann on Monday mornings. The sessions will run from 8.45am - 11.45am from the Kindy classroom. If you have not already enrolled your child or would like some information, please contact the front office.

Musica Viva

Thank you Mrs Morling for

coordinating the Zoom sessions of Musica Viva this week. It was certainly a different experience having musicians interact with us on the big screen but it nonetheless exposed us to the wonderful world of music!

Canteen and Uniform CDF Pay

From next term, all families will be able to order and pay for both canteen and uniform purchases using CDF pay via your mobile device all from the convenience of your home. This easy and secure method of ordering and paying will be rolled out soon - more information to follow.

Reports

Hard copy Semester reports will be sent home with all children next week from Pre-Primary to Year 6.

Canteen news

Following the success of our last canteen special, it's on again! On the last day of this term (Friday 3 July) your child can order a special meal deal. Here's what is on offer:

- **Recess (\$4)**
Cheesie, warm Milo and a piece of fruit.
- **Lunch (\$6):**
Spaghetti bolognese or Pasta carbonara or Fried Rice (GF)
Lunch also includes a Quelcher.

Please note, these will be the only items available on the canteen menu on this day. We are also asking for pre-orders. An order form has been sent home. Please complete and return your order with correct money to the school by Wednesday 1 July. EFTPOS is also an option over the phone or in person at the front office.

It's the final weekend before school holidays commence. I hope you all enjoy some 'down time over the next few days. See you on Monday for the final week of school!

War on Waste Update

The very talented Mrs Corrigan and her loyal 'assistant' Brigid the Bear continued to fly the banner on our school 'War on Waste' this week. If you didn't happen to see the Facebook post recently, here it is again!

If you all think I've been hibernating, 'You're wrong!' I'm still with Mrs C - for now! Today we went to 'Precious Plastics Margaret River' to help sort and classify 1000s of plastic lids that will be turned into amazing products, instead of going to landfill.
