# Have a great day Dads!

## Father's Day Breakfast

It's still on! Despite the forecast of some light rain, we are keen to celebrate with our Dads. From 7.30am please come in and help yourself (with your children) to a bacon and egg roll cooked with love by the staff of St Brigid's. To maintain appropriate distancing, we have worked out if it is wet weather, our Dads may sit in the various classrooms which will be open in the morning. The only money you will need is, if you wish to purchase a hot drink from our canteen:

- Coffee / Hot chocolate: \$4.00
- Milo: \$2.00

We look forward to seeing you tomorrow morning as we lead into Father's Day over the weekend. One lucky Dad will also go into the draw to win our annual hamper. Good luck!

## Feast Day

Please remember, your child will need to wear their sports uniform tomorrow with their faction coloured polo shirt (you can also accessorise with your faction colour). We have a

huge day planned with the classes to celebrate the charisma of our school. Canteen and home lunches will still be the order of the day.

## School Board Meetings

School Board members, please remember we have our next meeting this Tuesday 8 Sep (7.00pm) in the staffroom.

## Open Night - Wed 9 September

Come along next week to see inside your child's classroom. It has been some time since families have been invited into the classes and this opportunity is for your child to show you some of the things they have been doing. To maintain the appropriate social distance requirements, up to 14 adults (not including your children) will be allowed into the classroom at each time. Thanks to our P&F, your meals will be ready to takeaway from the canteen - there has been a great support for this so a big thanks for purchasing these meals.

At the Open Night, the P&F will also draw the winner of the gift hamper. Tickets are still on sale at the school for \$2. The year 5s have been eagerly selling these at the end of the school day. Good luck!

## Year 5/6 Mass date change

Please note, the Year 5/6 Mass has been moved as Father will be on retreat next week. These classes will celebrate Mass on Wednesday 16 September at 9.00am. Apologies for any inconvenience.

## Year 5 Excursion to Talison

The front cover photo is a snapshot into the excursion the Year 5 class took recently to Talison. The class learnt all about the resources we have in our own 'backyard'.

## Year 1/2 Assembly

This assembly will take place on Friday 11 September at 2.30pm in the hall. Please note, due to distancing requirements, only the Year 1 and 2 class groups will be attending. Children with siblings in these grades, as well as merit certificate recipients will also be attending. Families of Year 1/2 children are welcome to attend. Thank you for your continued understanding.

*Wishing all our Fathers in the community a wonderful day on Sunday!*

## Open Night

Thank you very much to all families who have ordered a 'heat and eat' takeaway meal from our school Open Night. We look forward to serving you and making your cooking duties a little easier on this night. Thank you to the Year 5 class of wonderful parent helpers who have put up their hands to prepare and serve these meals. Once you have visited your child's class, please come to the canteen where your meal will be ready to take.

## Crazy Camel Update

This year, the P&F has decided not to go with the Crazy Camel fundraising initiative. In the past many of you have used this service to order Christmas gifts such as diaries and tea towels.

Although the P&F are not organising this, you can still logon to their website and purchase items yourself. A popular options has been uploading photos of your children to print onto stationery.

## James and Jarvis

It's getting close for these boys who in the coming weeks will be 'losing their locks' for a great cause.

Recently, some Year 3 girls also set up, in support of the Kids Cancer Project. Well done to those girls who made origami creations, wrist bands, cake and even potted some plants.

You can still donate money to their fundraising pages which can be located below using the QR codes.
