# Half way there!

## PBS update

They made it! Mercy have hit their target to receive 20 minutes of technology together with some scrumptious pancakes. Well done! All eyes are focused on the next level to reach which is a tabloid sports session.

## Cross Country

Fortunately the weather held for our cross country event today.

Thank you for all the parents that came along to watch and support this event.

A wonderful day was had by all.

Congratulations to the winners, great sportsmanship was displayed by all. Stay tuned for more details regarding the Interschool Cross Country next Friday 4 June at East Manjimup Primary School.

## Year 4/5/6 Mass

Apologies for the inconvenience, but we have had to postpone this class mass for two weeks. Our 4/5/6 will celebrate on Wednesday 16 May at 9.00am in the church.

## First Holy Communion

We pray for Simona, Sam and Jaimee who will be celebrating the sacrament of First Holy Communion on **Sunday 13 June**. Mass will commence at **9.00am**. It would be great to show your support through your attendance at this Mass, and also to provide a plate of something to share at morning tea following Mass.

## Building update

I can't believe that finally our new classroom will commence this Monday 31 May! There will be some disruption to Pre-Kindy, Kindy and Year 1 classes as children enter and leave the school, as the direct path to access these rooms will be blocked off. The quickest route into these classes will be along the path between the church and the hall.

From Monday, staff will be at the front of the school to assist children to walk safely to class.

## Sick children

There has been a lot of support from parents in regards to 'sick children'. I continue to reiterate to all families, if your child is unwell they should stay at home. The easiest way to communicate your child's absence is through our school 'Connected' app.

## Kearnan College Transition Day

Next Wednesday 2 June is the Kearnan College Transition day. If your child is one of the students enrolling (or thinking about enrolling) in the College for 2022, please ensure you have returned the bus forms so your child has a place secured for transport to and from Manjimup on this day.

## Contacting staff

A reminder to all families, please refrain from using social media platforms to contact staff members out of school hours such as Facebook, Messenger and SMS. The correct mode of contact is via email using staff CEWA address format:

**firstname.surname@cewa.edu.au**

Please also keep in mind, all correspondence is directed first and foremost to the classroom

teachers rather than the EAs. I understand that sometimes it is easier to email staff once the busy night time routines is complete, but please keep in mind, teachers will attend to your correspondence at their earliest convenience which may not be until the following day.

## P&F Meeting

Next Monday 31 May is our next P&F meeting in the staffroom at 6.00pm.

## Playground update

This week, Mr Murray Stevenson worked with all classes (Yr 1-6) to begin planning our new playground instalment which will be located in the Declan Kane Nature Playground. Our wonderful P&F is supporting this project which will be planned this year, and completed early 2022.

## Fabulous Artwork

Take a look at the sensational pieces of art the year 5 class has done with Mrs Willis. These 'Pop Art' prints are in the front office.

*Have a great weekend everyone. Don't forget, Monday 7 June is a public holiday so not long until we all get a mini-break in a very long term!*
