

St Brigid's

3 March, 2022

Coming events

Fri 4 March

Pupil Free day - staff development day

Mon 7 March

Labour Day Public holiday (no school)

PBS Information

Positive Behaviour in Schools (PBS) is all about setting children up for success. So, we like to use as many positives as possible. Research has taught us that children respond to positives far more readily than negative statements.

Sometimes, however we need to respond to unproductive behaviour through conferencing (talking to the child), reflection sheets and re-teaching a particular rule.

Years 1-6 use a progress book, which is a way to record positive and unproductive behaviours. This helps us monitor how the behaviour of each child is tracking. PBS is all about data and this is one of the best ways to record it.

Season of Lent

It has certainly been a busy week at school with the commencement of the season of Lent. This is a time of 'waiting and reflection' as we prepare for Easter. Tuesday saw the classes 'cook up' a storm for Pancake Tuesday (also known as Shrove Tuesday) while yesterday, our senior classes celebrated Ash Wednesday Mass.

COVID update

Thank you for your support with the new mask mandate (Yrs 3-6). All children in these grades are now expected to wear a mask at school. The teachers will ensure break times occur regularly outside. Obviously, masks are not worn when eating, drinking or during vigorous activity.

As we see COVID cases increase across WA, we prepare for the day it comes into our school community. May I please take this moment to remind everyone, when a positive case is detected in your household, please contact the school immediately (97646100) or my mobile (outside of school hours). May I reiterate the importance of asking you to not post on any social media or contact other families so we may coordinate a timely response and identify close contacts.

Pupil Free Day - Friday 4 March

We look forward to welcoming you back to school on Tuesday 8 March after the long weekend.

Have a great long weekend everyone!

Carlo Pardini

Pancake Tuesday

Canteen Roster

NAPLAN

| Week | Date | Volunteer |
|------|------------|---|
| 6 | Tue 8 Mar | Erica Caldwell Liz Kane (cake) |
| 6 | Fri 11 Mar | Susanna Caminschi Susanna Caminschi (cake) |
| 7 | Tue 15 Mar | Tanya Harris Tanya Harris (cake) |

Next week, all families in Years 3 and 5 will receive a flyer explaining the important information about these National assessments. NAPLAN takes place in Term 2

3 March 2022

Dear families of St Brigid's Primary School,

This is a message home to primary aged children travelling on the Bridgetown 702 Peninsula and 701 Kangaroo Gully bus services.

Warren Bus Service welcomes all existing and new families to take advantage of the services we provide. Before considering bus transport to school for your child it is important for parents to educate their children on the appropriate conduct and behaviour before travelling for the first time.

The main examples of appropriate conduct and behaviour while travelling on the bus include:

- Remaining in your seat at all times, if the bus is full, high school students will give up their seat for a primary aged student.
- Speaking quietly not creating any unnecessary noise.
- Keeping hands and feet to themselves and not annoying any other passengers.
- Always follow the instructions of your driver.
- Students are to have their ticket ready when waiting for the bus and must have a ticket to ride.
- Once you have reached your bus stop in the afternoon, wait on the side of the road until the bus has driven away and vision of oncoming traffic is clear in both directions before crossing the road.

Appropriate student conduct and behaviour allows the driver to safely complete the route.

The full Student Behaviour Code of Conduct can be downloaded from the School Bus Services website www.schoolbuses.wa.gov.au heading to the Transport Assistance drop down and clicking on Behaviour on a Contract School Bus.

I thank families in advance for their support regarding this matter.

Regards

Nat Muir
