Reconciliation

Congratulations to Millie and Reagan who celebrated their First Reconciliation during a class prayer service yesterday. The class was there to support them along their next step in their faith journey.

Parent-Teacher phone meetings

A reminder on Wednesday 6 April school will close at 12.00pm to allow teachers time for parent phone interviews. If you have not had the opportunity to book a time to speak with your child's teacher please contact the school.

Autism Awareness Week

What a week we have planned for the children next week! Here is what's on the agenda:

Monday - Friendship bench painting

Tuesday - Friendship bench painting

Wednesday - Tie-dye activity

Friday - Rainbow stall (colourful free dress for a gold coin donation).

There is also a colouring-in competition, poetry competition and more, including merchandise for sale (see page 3 for details)! In case you are wondering, the Friendship bench is a white painted bench on the oval, in need of some love and attention. This year we are giving it a new lease of life, by painting it in rainbow designs.

End of day pick-up

An email was sent to all families yesterday about this. We hope to make the afternoons a little less stressful for everyone. I would like to ask all parents, when you collect your children to please keep them by your side. I can appreciate families have multiple children and therefore may need to wait as they all come outside, however a number of children are leaving their parents

PBS update

Fancy 'footwear' day

This coming Wednesday 30 March, we are asking all Blue faction students (McAuley) to make their footwear fancy! The Blue faction has reached the next reward on our PBS recess and lunch time target.

We mentioned it this week to the students for today, but forgot to put this out to families so many missed the opportunity. Some students remembered and they will get another chance to show us their colourful feet once again next week.

Fancy footwear simply means making your existing footwear colourful, perhaps changing the laces, or wearing colourful socks with your joggers.

side and playing around the front of the school (garden beds and retaining wall). Thank you for ensuring once you collect your child, they remain with you. We will be looking at different options (including staff parking) for the front of the school as I can appreciate, there are not many bays free at the moment.

Merit Certificates

Congratulations to the students who received a Merit Certificate today, presented on the basketball courts in front of the school (see picture below). The students were very pleased to received a certificate from our Head Boy and Head Girl. Well done everyone!

Have a great weekend everyone!
