Lest We Forget

Thank you to Tilly and Khai who represented St Brigid's School at the town ANZAC service on Monday by laying the school wreath.

Uniform committee - can you help?

I am looking for 3-4 parents to form a uniform committee. Meetings would be set at a mutually suitable time to the group during the school day. The goal of having a uniform committee is to discuss the current uniform and to act as a voice for the wider parent community as we consider the best options for our children. Please contact Margaret or Georgie if you are interested.

Kearnan Orientation Talks

On Tuesday 17 May, staff and students from Kearnan College will come to give a presentation to all Year 5 and 6 students. The presentation will take place at 2.00pm on this day. Parents, you are also welcome to attend as this is often a good chance for you to ask questions about the Kearnan College Middle School structure.

COVID update

As my email stated this week, parents are now allowed onto the school site. This makes it a little easier if you need to drop something into the school or canteen for example. I do appreciate parents remaining at the front gate where possible, in an effort to ease the congestion inside the school during busy periods. As state restrictions ease (from tomorrow), I will keep you informed. Most importantly, if your child tests COVID positive, please inform me (as well as the Health Department). Thank you.

Mother's Day

The invitation will be emailed to all families today. Please join us for our Mother's Day morning tea next Friday 6 May at 9.30am. The staff will be preparing some 'sweet delights' to treat all Mums in the lead-up to their special day. We also look forward to the 'raffle of the century' as the P&F draw the Thermomix winner!

Have a great weekend everyone!

Our students in Red (Quinn) and Green (Vincent) factions have reached the next target in their reward. Next Wednesday 4 May, all children in these factions may fancy up their joggers! Maybe it's wearing a favourite pair of socks, or some coloured laces instead. The order of the day for these two factions is colour!

WE'RE TAKING IT IN OUR STRIDE ON FRIDAY 20 MAY 2022

Well it's that time of year again when our school seriously starts talking about walking!

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 20 May 2022!
