Welcome back

It was great to greet everyone at the front gate this week for the start of what will be another 'action-packed' term. Thank you to all families for your vigilance maintaining the school winter uniform.

School Reports

Semester 1 school reports will be sent home with students in PP to Y6 tomorrow. A portfolio will be sent home for Kindy students.

Where is Mr Pardini?

In a somewhat surreal start to the Term for me (of only 4 days!), I will be taking a two week long service leave break from tomorrow. I will be away during weeks 2 and 3 and will return on Monday 8 August. In my absence, thank you to Mrs Muir who will assume the role of Acting Principal for this time.

COVID update

All families were emailed a letter today regarding a COVID update, please ensure you check your email.

New playground update

Everyone is waiting very patiently for our new playground to be installed. As we know Murray Stevenson and his team are working hard (against many COVID hurdles) to complete this project in time for the September / October holidays. Earth works will be carried out at the end of this term once the ground dries out a little. Thank you for your patience....I know this will be worth the wait!

Homework Club

Wednesday afternoon 'Homework Club' with Mrs Muir will recommence this term from Wednesday 27 July. This is open to children in Years 4-6 and will be run out of the library on Wednesdays from 3.00pm until 4.00pm. It is *essential* your child has their homework with them. This is an excellent opportunity for children to complete their homework with the support of a teacher. Please pack an extra snack for afternoon tea and ensure prompt collection at 4pm.

P&F Wood raffle and cake stall

Saturday 30 July - mark this on your calendar! Please support this P&F fundraiser hosted by the Y2 & Y5 families. Thank you to the Schmidt-Hunt family who have generously volunteered to supply the load of wood to be raffled.

P&F Plate Order

Tomorrow (Friday 22 July) is the final day you can order your child's art work to be printed on a plate. If you need assistance with this, please head to the Parents of St Bs Facebook page which has all the details and links. Alternatively, contact the front office for assistance. All pictures of children's artwork were uploaded to the classroom SeeSaw pages so you can see what your plate will look like.

See you Monday of Week 4 upon my return from leave.
